about the matter of raising the needed funds in a novel manner, and the Intelligencer would suggest that the other Rough Rider companies and local Republican marching clubs imitate Washington district in this matter. A treasurer is to be appointed, and each week the members will contribute a certain amount, so that by March 1, 1901, each Rough Rider will have contributed an amount sufficient to pay the expenses of the trip.

Madison Rough Riders.

Company C, of the Rough Rider reg-
iment, of the Island, will hold a busi-
ness meeting to-night, to decide whether
to go to Pittsburgh or Sistersville
Saturday. A full attendance is desired.

To Martin's Ferry.

All of the Wheeling clubs have de-
cided to take in the Martin's Ferry
demonstration to-morrow night. The

North Wheeling ferry landing promptly
at 7:30 p. m. Crossing to Martin's
Ferry, the Rough Rider regiment and
other Wheeling clubs will form on
Washington street.

Washington District.

On Wednesday evening there will be
a meeting of the Washington district
Republican club, for the transaction of
important business, and a full attend-
ance of the members is desired.

Elmer Donley.

The uniform clubs from Bellaire, Ben-
wood, Moundsville, Sherrard and
Wheeling have been invited to attend,
and the intention is to make this one of
the largest meetings held in the county
this campaign.

The Pittsburgh Trip.

The captains of all Republican clubs
deciding to go to Pittsburgh next Sat-
urday, are requested to meet with the
transportation committee of the Elkins
Cadets at the city building after the Is-
land parade to-night, for the purpose of
deciding what road to take and what
hour to have the special trains start.

The Dover Meetings.

Capt. B. B. Dovener had one of the
largest meetings of the campaign at
West Union, on Friday night, when
nearly 1,000 people listened to an able
exposition of the Republican prin-
ciples. The opera house was filled to
overflowing, it not being large enough
to accommodate one-half of those who
desired to hear the eloquent congress-
man.

Captain Dovener says that he is sur-
prised at the number of Democrats that
are daily coming over to the Republi-
cans, and he expects to see a majority
in this district and state such as was
never before known.

On the afternoon of the 31st he and
Hon. A. B. White, candidate for gover-
nor, will speak at New Cumberland and
on the night of the same day they will
address the citizens of Wellsburg. On
next Thursday night Captain Dovener
will speak at a meeting of the Ben-
wood, North Benwood and the Eighth
ward Republicans.

The Elkins Cadets.

The Elkins Cadets meet this evening
at 7 o'clock, at the city building,
to take part in the Island demonstration.
The club also meets to-morrow evening
at the same hour and place, to take
part in the Martin's Ferry demonstra-
tion.

Travis Cadets.

The Travis Cadets will assemble at
their headquarters at 7 o'clock this
evening, for the purpose of participat-
ing in the big Republican street demon-
stration on the Island.

Benwood and Wheeling.

Benwood, North Benwood and
Wheeling will unite in a big Republican
demonstration next Thursday evening,
November 1, with Congressman Dove-
ner and Hon. C. T. Caldwell, of Park-
ersburg, as the principal speakers.
The meeting will be held out-of-doors
if the weather is good; if not, in Hol-
dermann's hall, which has a seating
capacity of 1,000, with room for 200
more. The committees in charge are
endeavoring to bring out all the
marching clubs in the vicinity, and to
duplicate the big success scored by the
Benwood Republicans last Friday night.

Now For Martin's Ferry.

The largest street demonstration held
in Belmont county this campaign will
be the one in Martin's Ferry to-morrow
evening, and from all indications will
probably come close to being the large-
st held in the upper Ohio valley. Two
thousand men are expected to be in line
and clubs from the following cities
have accepted invitations to turn out:
Wheeling, Benwood, Triadelphia, Mc-
Mechen, Moundsville, Bethany, Sisters-
ville, New Martinsville, Bellaire, St.
Clairsville, Bridgeport, Barneville, New
Comerstown, Uhrichsville, Dennison,
Seio, Steubenville, East Liverpool,
Wellsville, Barton, Tiltonville, Port-
land, Colerain, Mt. Pleasant, Harrisville
and Toronto. The business men of
Martin's Ferry will turn out, mounted,
and the mill men will turn out in a
body on foot.

The parade is scheduled to start at 8
o'clock, and the following is the line of
march: Form on Fourth and Fifth
streets, north and south of Hanover,
and move south on Fifth to Hickory,
east on Hickory to Fourth, south on
Fourth to Jefferson, west on Jefferson to
Broadway, south on Broadway to
Buckeye, countermarch on Broadway to

Jefferson, east on Jefferson to Fourth,
north on Fourth to Hanover, west on
Hanover to Fifth, north on Fifth to
Center, east on Center to Main, north
on Main to Laughlin mill, counter-
march on Main to Center, west on Center
to Fifth, south on Fifth to Short,
east on Short to Fourth, south on
Fourth to Hanover, where the parade
will disband.

The general committee requests that
all persons living along the line of
march decorate their business houses
and residences. Meister's, the Opera
House and Heatherington's bands have
been secured for the occasion and that
this will be a monster demonstration
is assured.

The general committee will meet
this evening at Scheehle's hall, and
Marshal E. H. Rider requests all mem-
bers of the Rough Riders to attend the
meeting and receive final instructions.
The division of horsemen will be in
charge of Dr. A. R. Ong, and the citi-
zens' division will be in charge of B. F.
Brady.

One of the novel features of the dem-
onstration will be the presence of a
woman's club, which will occupy a
prominent place in the first division.

The first division will form on Fourth
street, right resting on Hanover, and
will be headed by the mayor, marshal
and city police, together with the chief
marshal and his aides. The order of
the column will be as follows:

Mayor, City Marshal, Chief Marshal,
Aides and Police Officers,
Meister's Band,
Old Soldiers,
Ladies' Club,
West Virginia Division,
S. M. Steele Club, of Moundsville,

ment.

Citizens on foot and in carriages.
Matter of Percentages.
To the Editor of the Intelligencer.

SIR:—Was Mr. Bryan's plurality in Ne-
braska in 1896 a greater percentage of the
total vote of that state than Mr. McKin-
ley's was in Ohio? REPUBLICAN.
Wheeling, October 27.

In answer to the inquiry of "Republi-
can," the following tabulation is given,
showing that Bryan's plurality of 13,470
in Nebraska was a larger percentage of
the total vote in that state than Presi-
dent McKinley's plurality of 47,497 was
in Ohio.

On the other hand it will be noticed
that in the total vote, President Mc-
Kinley had 52.11 per cent of the total
vote in Ohio, while Bryan had 51.33 per
cent in Nebraska. The explanation of
this is that there was a larger percent-
age of scattering votes in Nebraska
than in Ohio.

The tabulation follows:
Vote:— Ohio, Nebraska.
For McKinley 525,291 102,292
For Bryan 477,497 115,762
Plurality 47,794 33,470
Percentage:—
McKinley 52.11 45.59
Bryan 47.82 54.41
Plurality 61.71 66.61

Charles Emory Smith.

Already great interest is being
evinced in the meeting on Thursday
night, to be addressed by Postmaster
General Charles Emory Smith. The
place of meeting has not been decided
upon, but may be the Pythian Castle,
on the South Side. There will be a
street demonstration as an escort to
the speaker, after which the clubs will
go to North Benwood to participate in
the South Wheeling-North Benwood
demonstration.

Lost Their Banner.

The banner of the Washington dis-
trict Rough Riders has been lost. The
finder will kindly notify Major George
W. Otto, of the first battalion, of the
Rough Rider regiment.

900 Rough Riders.

There are now 900 Rough Riders in
the seven Wheeling companies of the
First West Virginia Rough Rider reg-
iment, and for the remaining demon-
strations of the campaign it is hoped
that every uniform will be found in
line. Members who can't turn out, are
asked to place them with friends who
can use them.

They Are Distributed.

The 200 Rough Rider uniforms pur-
chased by the Republican "Field Day"
executive committee are now all dis-
tributed among the several companies.
Forty of them went to the Benwood
company, Moundsville's company giv-
ing Benwood its quota of uniforms.
